Thank you to Janice Bush and Union County NAACP for the request to participate in the Image Awards fundraiser on behalf of NAACP.

I regret that I must mention that at this time, our Independent and progressive campaign for Arkansas's District 4 House seat has given priority towards achieving ballot access, which means the gathering of a total of 2000 signatures, ahead of the Tuesday May 1st deadline.

Because so much energy, time, and financial resources are directed towards achieving ballot access, we will be unable to assist the Union County NAACP with fundraising at this time.

With regret,  
Lee McQueen.
